THE EVERLASTING FORTRESS CAMPAIGN

Baptist Couriers For Christ

A Scripture distribution outreach in Serbia
September 6-18, 2027

We are planning to distribute John & Romans during the trip and give Bibles at the evangelistic service

The Lord has opened the doors for us to take two weeks in the fall of 2027 to evangelize a city in the heart of Serbia through the distribution of Scriptures.We will spend our time handing out copies of John & Romans and inviting all to come to an evangelistic service where the Gospel will be clearly preached. Bibles will be given to those in attendance and some of these individuals will be interested in a follow up Bible study. It is our desire that this trip will be the seed offering for many souls coming to Bible studies, receiving Christ as Saviour, and joining the church in Novi Sad. Only eternity will tell the results of what the Lord can do through all who take part in this Scripture Distribution Campaign.

Come Join us: **Sept 6-18, 2027**

AN OPPORTUNITY TO CHANGE A LIFE

While on a CFC campaign you can experience:

HISTORY OF THE REGION:

Serbia has a rich history dating back centuries before the time of Christ on this earth. It was a very important area to the Roman Empire as 17 emperors came from the region including Constantine. The South Slavic tribes migrated into the area in the 6th and 7th centuries and the Serbian Empire reached its medieval peak in 1345. The Golubac Fortress is a physical indicator of the wars across this soil.

Ancient buildings tell many stories through the years

It is the souls of Serbians that we desire to reach

COMMUNISM:

Following WWI, Serbia joined with Montenegro, Croatia, and Slovenia to form the alliance that would be named Yugoslavia in 1929. From 1945 to 1992, Serbia was one of the six constituent republics of the Socialist Federal Republic of Yugoslavia. Although Serbia is a free country today, years of atheism need to be undone by the Truth of the Gospel.

They enjoy freedom as a nation, but souls are bound

We must point them to Jesus, Who alone saves!

PERILOUS TIMES:

There is much uncertainty in the world today! The financial sector, food shortages, religious and secular ideologies, and war has led to a spirit of unrest in the hearts of many individuals. We have a steadfast and sure hope in these end times that we must not hide. Please come with us and share with them the life giving Gospel of the Lord Jesus Christ!

Recent protests have grown ugly as unrest grows
